| Name of Boatel/Yacht Club/Place where boat is currently kept: | |
| Other Information (if any) : | |

To my understanding, there is no berth/dry storage available for my craft/trailer currently at Republic of Singapore Yacht Club. Should there be an available berth/dry storage, you will contact me so that I can make arrangements to bring in the above craft into Republic of Singapore Club. I would immediately inform you on **6768-9233** or fax **6768-9230** if there should be any change of plans.
